Re: SEIU COPE Amended February Monthly Report (1/1/09-1/31/09), received 9/24/09

Dear Ms. Lewis:

This is in response to your letter to SEIU COPE, dated November 6, 2009 which requested additional information about the beginning cash balance shown on this report. As you noted in your letter, the notes filed with our report explained that the beginning balance shown here was adjusted to match the reconciled bank statements for December 31, 2008. We reviewed three years of reports in an attempt to locate the specific source of the difference between the bank and the balance previously reported on Form3x but the cause was not in that period. Therefore we adjusted the January 1, 2009 balance, all reports filed for 2009 have used the corrected balance, and no additional amendments are required.

Please feel free to contact me if you have any further questions

Sincerely,

Mark Schneider
Counsel For SEIU COPE
